Protect your personal data when recycling a computer or memory device

Computers often contain highly personal information. Before donating or recycling your computer or memory device, clean the hard drive. Go to our website for instructions, www.oglecounty.org.

It is the duty of the user of the recycling program to ensure data erasure. The Ogle County Solid Waste Management Department and Dynamic Recycling have procedures in place for the protection of data remaining in electronic devices recycled through this program.

24 Hour Surveillance

Violators who illegally dump electronics (or other items) will be prosecuted to the fullest extent of the law.

2018 Ogle County Residential Electronics Recycling Program

**Hours on designated days:
9:00 am—4:00 pm
Two Saturdays:
8:00 am—12:00 noon
See dates in brochure.**

As of January 1, 2012, the State of Illinois banned many electronics from landfills so that these valuable materials may be recycled.

The Ogle County Solid Waste Management Department (OCSWMD) is working with Dynamic Recycling to provide convenient electronics recycling for our residents. Therefore, as part of this program, a drop-off site at our location will be available to Ogle County residents.

Dynamic Recycling is recognized by the Illinois EPA as an authorized collector, recycler, and re-furbisher of electronic waste (E-waste) in Illinois and is R2 and ISO 14001 certified.

OCSWMD will be hosting two Saturday events at our location on:

**April 14th & September 15th
from 8:00 am—12:00 noon.**
