OGLE COUNTY YEARBOOK

This Yearbook is a guide to Ogle County Government as well as other units of government within the County. The other units of government have provided us with names of office holders, meeting dates and times and location of offices. We also strive to have the most current information as possible, however, often as soon as we go to press something changes.

The next Yearbook will be published after the next Consolidated Election in 2019.

Please e-mail (countyclerk@oglecounty.org) or contact the office with any updates for the next publication.

Sincerely,

OGLE COUNTY HISTORY

What is now Ogle County was once a part of the Northwest Territory.

The Hopewell Mound Builders were in the Ogle County area sometime between 300 B.C. to 500 A.D..

Our modern Indians occupied Ogle County starting in the 1600’s to the 1800’s. Blackhawk was born in 1767 and died in 1838, six years after the Blackhawk War.

In 1634, the French Fur Traders were the first white men to set foot on what is now Ogle County.

By the Treaty of Paris in 1763 the French possession in Illinois passed to the British.

In 1778, George Rogers Clark and his “Kentucky Long Knives” captured Kaskaskia, Illinois and we were under the control of the State of Virginia.

In 1784, Virginia ceded the Northwest Territory which included Ohio, Indiana, Illinois, Michigan, Wisconsin and a portion of Minnesota to the Federal Union.

Illinois was admitted to the Federal Union as the 21st State on December 3, 1818.

The Legislature formed Ogle County in 1836, which was at that time a part of Jo Daviess County. The name, Ogle, was suggested by Thomas Ford in memory of Captain Joseph Ogle, who distinguished himself for his courage and coolness during the Revolutionary War.

The first session of the Ogle County Commissioners’ Court was held on January 3, 1837, and Oregon was chosen to be the County Seat. Plans for a Courthouse were adopted on December 8, 1838, and in 1841, the building was completed. “The Prairie Bandits” burned the Courthouse before it could be occupied. The present Courthouse was completed in 1891, at a total cost of $106,951.46 for the building and equipment.
In December of 1839, the County Board ordered Oregon City to be called Florence; however, in 1843 it was renamed Oregon. Names of other towns were once different than those used today: Rochelle was called Lane; Byron was called Bloomingville; Polo was called Buffalo Grove and St. Mary’s.

On November 6, 1849, the electorate voted for Township Organization and the Commissioner’s Court appointed three men to divide the county into Townships. They recommended dividing Ogle County into 19 Townships, with an area of 757 square miles. Today we have 24 Townships in Ogle County.

The first special meeting of the Board of Supervisors was held November 11, 1850. In 1972, in compliance with the State Legislature’s decision on reapportionment, Ogle County held its first election to elect County Board members. This replaced the system whereby the Township Supervisors served as the County Board. Through reapportionment in 2010, the county was divided into eight districts with three members from each district. A Township Supervisor may also be a County Board member, but not necessarily.

A renovation of the interior of the Courthouse was completed in 1984, at a cost of $1,500,000.00. The Courthouse was renovated again in July of 2009, with the discovery of “Memorial Hall” on the third floor.

The Ogle County Judicial Center was built in 2005 and dedicated on August 20, 2005. The Judicial Center houses the Probation Department, States Attorney Office, Circuit Clerk’s Office and all courts for Ogle County.

The Ogle County Public Safety Complex which houses the Sheriff, Coroner and 9-1-1 Departments was completed in 2015.

The Emergency Operations Center (EOC) in Rochelle that houses a satellite office of the Ogle County Health Department and Ogle County Probation Department was remodeled in 2017.

DUTIES OF VARIOUS COMMITTEES

Assessments and Planning & Zoning

This committee shall be the liaison committee to the Zoning Administrator and the Zoning Board of Appeals, for the Supervisor of Assessments, Board of Review and the Planning Commission. Claims of these offices and Boards shall be approved by the committee and recommendations shall be made to the County Board as to their needs and requirements. They shall act within the guidelines of the Zoning Ordinance and the Subdivision Ordinance of Ogle County and the Plat Act of the State of Illinois. They shall submit annually a proposed budget to cover the needs of these departments.

County Facilities

This committee shall see that the Courthouse, Jail, Judicial Center, Focus Houses, Public Safety Complex, Pines Road Annex, EOC and surrounding grounds are maintained in good repair and condition, with suitable lighting, heating, plumbing and other reasonable facilities. The expenditures for these purposes are proper; that this committee work with other committees as required. A suitable flag is displayed at the Courthouse and that proper courtesy is shown the flag in the raising, lowering and care of the same.

This committee shall approve and recommend to the County Board any structural changes, replacement of common equipment and improvements needed in various offices.

This committee will review and develop where possible combined cost saving expenditures for purchased or contracted items or services for all County Departments.

County Security

(Sheriff & Coroner and Safety)

This committee is to work with the Sheriff and the Coroner for the good of the citizens of the County. They shall approve purchase of supplies and equipment for the Sheriff’s Office, Ogle County Emergency Management Agency, Coroner’s Office, Corrections and 911. Proposed budgets shall be submitted for each fiscal year to the Finance & Insurance Committee.
Executive

The Executive Committee provides oversight of all Committee Activities. The Committee is the last standing committee to meet each month and based upon recommendations from other committees assists the Chairman in setting the monthly County Board Agenda.

In addition to its oversight duties, the Executive Committee serves as the “emergency” meeting committee, for any urgent issues of discussion, where it is more convenient to hold an Executive Committee meeting, than a special County Board meeting. It is important to note that, in this “emergency” capacity, the Executive Committee actions are not final, and are intended for interim solutions, and would still require final actions by the full County Board.

Finance and Insurance

(County Clerk & Recorder and Treasurer)

It shall be the duty of this committee to coordinate the various proposed budgets by other committees and to recommend the annual County Appropriations and Tax Levies to the County Board for approval. They shall see that the accounts of all funds are kept in an accurate and comprehensive manner; to see that all financial reports of County Officers are made according to Statute, to report to the County Board those accounts which are overdrawn or likely to be overdrawn and make provision for the payment of all bills approved by other committees or budgeted for annually. This committee shall also be responsible for the reviewing of internal financial controls of all County departments, and for the general safeguarding of the County financial revenues, expenses and reserves.

In addition, this committee shall be responsible for the procurement of supplies and equipment for the day to day operation of the office of the Treasurer, and to approve the proposed budget for each fiscal year.

The committee shall also be responsible for interviewing and recommending to the County Board for contracting for an annual audit by a Certified Public Accountant.

This committee shall also be responsible for being certain that the County has, at all times, reasonable protection against loss and liability by insurance or surety and to contract for all liability, property, health, worker’s comp and general insurance and all surety bonds (including those pertaining to the individual offices requiring surety) and to see that the policies and bonds are promptly filed with the County Clerk for safe keeping and reference, except such bonds as are required to be filed elsewhere according to Statute.
